

**—Mercy Hill Sacred Space—**  
**Elsmere Park, Glassboro**

**Mission:**

To give people an experience of living “sent” lives in their own community so that they can experience and share the power of the Gospel.

In doing this, we embody or incarnate the Gospel as we connect with, love, serve, and show Jesus with our words and lives.

In this way, we make the invisible Kingdom of God visible.

**Biblical Basis:**

Our Savior “took on flesh and dwelt among us” (John 1). Jesus said, “If you have seen me, you have seen the Father.” (John 14)

He did not consider equality with God “something to be grasped,” but took the form of a servant, calling us to do the same (Philippians 2).

Also, Paul teaches in Romans 2: “The kindness of God leads to repentance.”

**Vision:**

The people of Mercy Hill will host a 2 or 3-day outreach with the Glassboro Boys and Girls Club and/or Emmanuel Baptist Church in Elsmere Park for the people in that neighborhood.

Our activities will include food, games for boys and girls, teaching, and possibly a barbecue and/or worship service.

In doing this we hope to build relationships with one another, with people in this community, and with outsiders, people we whose paths we cross in the process.
