

## Place Survey

The Place Survey is a useful, online tool to help discover your gifts and talents in the context of church ministry. It is not the Holy Spirit; it is not infallible. But it is useful. Having finished the tests, please follow the directions below and send a copy of your results to Phil Henry

1. Go to <http://www.placeministries.org/assessments.asp>
  2. There will be a big banner that says PLACE assessment, buy assessments now.
  3. Create an account and purchase an assessment (\$5.95)
  4. Once you complete the purchase you will receive an order number via an e-mail they send you.
  5. Open that email and click the link. It will open up a web page asking for an order number. Enter the order number when asked. WRITE DOWN THE USERID and PASSWORD given to you – or print out that screen – you will need this.
  6. Login to the assessment page with the USERID and PASSWORD.
  7. The assessment takes a simple “question and answer” format. After each section there are several screens you can read (or not). At the bottom, the “next page” buttons move you through.
  8. Once you complete the process you will come to a summary page that has a grid with PLACE sections. There is a link that says “Printable Version” or something like this.
  9. On this page, send an electronic copy of the information in one of the following ways:
    - Make a “screen capture” file.
    - Print it to PDF
    - Copy and paste the information into a Word file (.doc)
    - Print it and scan it as a jpg or pdf
- Then send your electronic copy to Phil Henry at [pastphil@gmail.com](mailto:pastphil@gmail.com)
